

# CIGARETTE BUTT LITTER IN BORACAY, PHILIPPINES

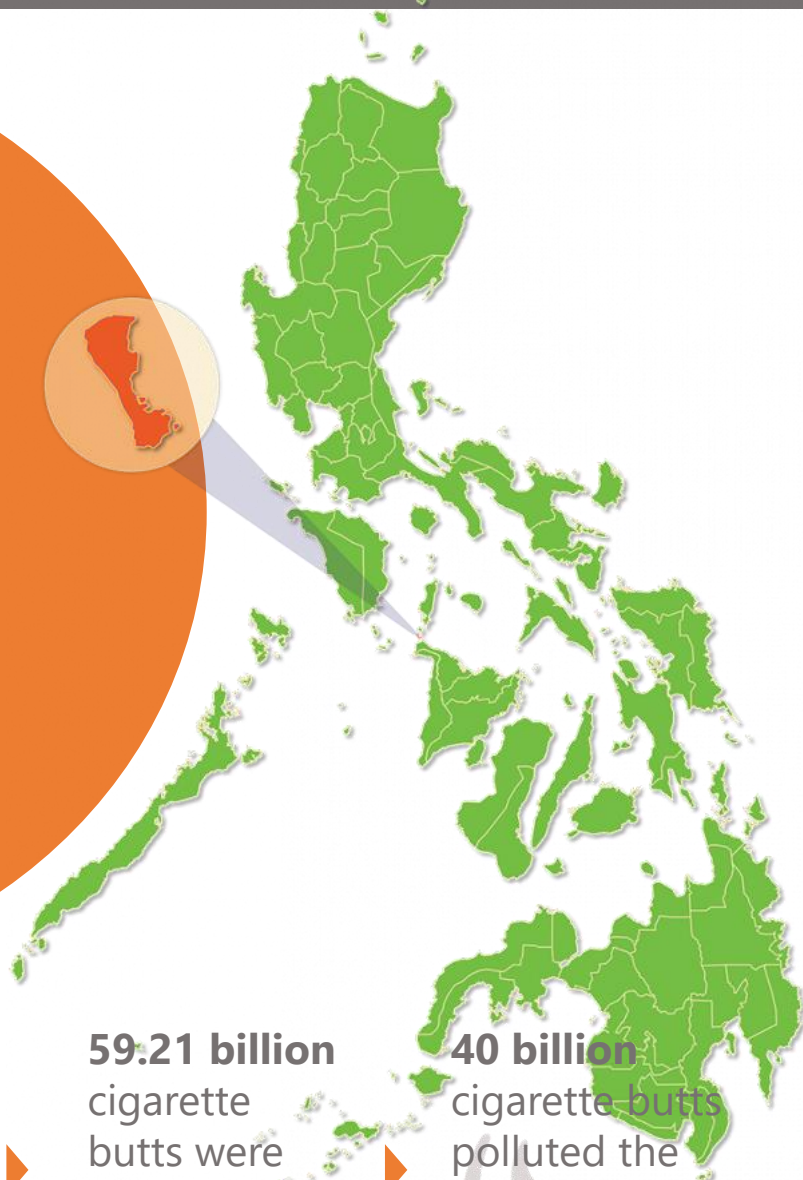

2022 Study

**34,385**

cigarette butts  
are littered  
every day in  
Boracay

**12.55M**

cigarette butts  
littered per year

**6.5 trillion** estimated  
cigarettes bought globally  
each year or about **18  
billion** every day, of which  
about two-thirds end up as  
litter in the environment.

**59.21 billion**  
cigarette  
butts were  
littered in the  
Philippines in  
1995

**40 billion**  
cigarette butts  
polluted the  
environment in  
the Philippines in  
1995.

For over thirty years, cigarette  
butts topped the list of marine  
debris gathered during beach  
cleanups organized by the Ocean  
Conservatory.
